1. The Clandestine Service divisions and staffs were queried regarding the number of senior personnel who might use helicopter service between the new building and the greater Washington area in event such service were available. The number of potential users on a weekly basis (5 days) based on scheduled and non-scheduled meetings with other Government agencies and operational contacts were estimated as follows:

WHITE HOUSE	
Pentagon	40 + 65
Department of State	120 +11
Ft. Meade	10
	2
	5
Other	65
Total	242 +17 = 259

2. Additional potential users are the Clandestine Services which are not moving to the new building but which would utilize the service for transport of personnel to the new building for conduct of business with components located at Langley headquarters. It has been estimated the number of such users would be 75 persons per week.

3. Attached are the individual estimates and comments received from the various Clandestine Service divisions and staffs.
